

Step by Step guide to access a course on CodeAI

Welcome!

Step 1 :

Click on the course link shared with you. It will open in your device's browser. The course link should be ending with a 6 digit section code like "MYHDRT"

Step 2 : For first time login, click on "Create an account" button under "I am new to CodeAI".

Continue with a CodeAI account

To join a section, you'll need a CodeAI account.

I am new to CodeAI

You'll need to create an account on CodeAI to join this section.

Create an account

I have an existing CodeAI account

You'll need to sign in to your CodeAI account to join this section.

Sign in with my account

Step 3 : Click on “Sign up as a student” button

Create your free account

Start creating your free account by selecting the account type that best matches your needs.
